

Novena of the Flame of Love

“...for families this great effusion of grace”

For the feast of the Candlemas in 1993, a Novena was composed by the priest of a parish in Guayaquil, Ecuador. The Flame of Love Movement of the Immaculate Heart of Mary in Canada was inspired by this Novena and adapted it for the present times.

This Flame of Love Novena booklet also includes:

1. The Meditated Rosary of the Flame of Love of the Immaculate Heart of Mary.
2. Seven prayers complementary to the Novena.

This document contains an essential remedy for the world and our time.

It is delivered to us by the Flame of Love as an instrument in our hands to overcome the trials of life and all the circumstances that exceed us each day.

May God's grace bless you and your family, abundantly.
